Hi Laurie,
Thanks for the nudge!
I have attached the template for woven heart baskets I will demonstrate Thursday. If anyone would like to follow along, the template should be printed twice--once on white paper and once on red or pink paper.

See you soon,
Becky

Woven Heart Baskets

Supplies needed:
template printed twice, once each on white then red/pink paper or traced on two contrasting decorative papers
scissors
exacto knife & cutting mat
calligraphy pen(s) & ink(s) that get along with the paper you chose
glue and/or tape

This website is the source of the template and will give a preview of the demonstration: <https://bitsofivory.com/2016/12/21/danish-heart-baskets/>
