Consignment of Artworks:

I, the undersigned, agree to consign the artwork listed in the inventory on the bottom of this form. I understand that all artworks are subject to a jury process and the Elsinore Framing and Fine Art Gallery reserves the right to refuse any artwork deemed unsuitable or inappropriate for display. The specified consignment rate of 40% of the retail price will be paid to the gallery upon the sale of each item. I agree to provide all pertinent data regarding the origin, condition and ownership of the artwork being considered. Further, I agree to leave the artwork on consignment for the period specified on this form. Any changes to this agreement must be approved and verified by agents of the Elsinore Framing and Fine Art Gallery.

Term of Consignment:

Consigned artwork will remain on display for the one-month show. The Elsinore Framing and Fine Art Gallery will notify all consignors of the termination of contract and will not be held responsible for consigned items left after 30 days of this notice. The Elsinore Framing and Fine Art Gallery also reserves the right to terminate this contract within 30 days of written or verbal notice.

Disclosure & Remittance

The Elsinore Framing and Fine Art Gallery & Framing will notify the consignor upon the sale of the artwork. The Gallery will also supply upon request, information about the purchaser and any or all pertinent details surrounding the sale of the artwork. The gallery agrees to pay the consignor the amount of 60% of the retail sale price of each piece. Remittance should normally occur within thirty days of the sale. Exceptions to this schedule would occur through special arrangements including layaways and/or credit holds from the purchaser.

Condition of Artwork

The Elsinore Framing and Fine Art Gallery & Framing assumes responsibility for the condition of the artwork during the consignment term specified. The gallery agrees to pay the consignor the full 60% of the retail value of the artwork should irreparable damages occur as a direct result of gallery negligence. Damaged artworks that are reparable will be the exception to this condition clause. These will be restored at gallery expense. Damages pre-existing at the time of contract should be noted on the reverse of this form. The gallery insurance for these items is based on a \$1,000 deductible to cover loss (by theft or catastrophic event), of high-value artwork only. On smaller and/or less valuable artworks, the consignor would be responsible for assuming insurance coverage.

Finder's Fees-Applicable to artists only

I agree to pay the amount of 10% from any commissions or sales directly resulting from the display of my artwork in the gallery during the consignment period and/or for a period no greater than 60 days from the end of this contract. I understand that this fee may also be assessed from direct artist referrals wherein the gallery acts as an agent for commissions or other artwork sales. This finder's fee applies only to original art and/or limited edition prints, which I have created.
